

## Youth Ministry & Camps

We have a strong commitment to working with children and young people both in regular clubs and in a camping programme. Our summer camps include, sailing, kayaking and various other water activities. We will welcome students to help us in these opportunities by providing training in Christian youth ministry.

## Ministry Partners

As members of the body of Christ we strongly believe in supporting fellow believers in New Zealand and abroad. Many of our past students have returned to their own countries to serve not only as pastors, missionaries and evangelists but also as aid workers, health providers, teachers, and advocates for the poor and the oppressed. We currently raise support for child sponsorship projects in Uganda, Pakistan and India as well as other initiatives in the Pacific Islands, Africa and South-East Asia. Please contact us if you wish to learn more about our overseas ministry partners and how you can support them.

## More about Us

## Bible School

Fowey Lodge run by Dr. Tony and Christine Hanne, has been operating as a short term Bible school since 1966. Since that time more than 3000 students have attended from around 75 different countries.

The Bible teaching program is build on some simple principles:

- ◆ The whole Bible is the inspired word of God.
- ◆ Its central theme is Jesus Christ and He wants to live in us and be our Teacher.
- ◆ Christian learning should show through the unconditional love of God in our lives.
- ◆ Because of God's love He gives His grace freely—we therefore consider it our privilege to offer Christian teaching without charge.
- ◆ Christian leadership is about serving, not dominating.
- ◆ Together as a fellowship we want to live out what we learn both by sharing Christ with others and working to meet their practical needs.

## Residential Study—Fowey Lodge

Fowey Lodge is set in 4 acres of gardens on a cliff top overlooking the beautiful, sheltered waters of the Hauraki Gulf. Accommodation is simple but comfortable and rooms are shared usually by two students. The Lodge is near popular beaches and the area is famous for recreational boating. The property has a tennis court with basketball and volleyball facilities. The study programme is in ten week blocks and runs daily from Monday to Friday. The course includes lectures, tutorial groups, internet resources, a library, time to pray and worship, private study time, outreach and much personal encouragement. Fellowship and fun are central to our community.

Having everyone sharing in daily housework and the care of the buildings and gardens helps to keep costs down. We also see it as a healthy part of leadership training. There is opportunity for students who cannot afford the cost of accommodation at Fowey Lodge to work their way through by taking part in some extra work projects we undertake as a team.

## Costs & Requirements

Admission to the course depends primarily on you sharing your call from God to be involved. We are not looking for qualifications but for an open heart to God's best. We will ask you to provide two references from pastors or Christian leaders who know you well and believe our course would suit you.

The cost of food and accommodation at Fowey Lodge is NZ\$200

## Online Bible Study

For those who can not study on campus we have launched a website that allows you to take part in Bible studies from home. These online studies, we hope, allow us to be of some help to you to meet Jesus Christ or to get to know Him better.

Both our Bible studies and Distance learning courses are available to be used free of charge.
